

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 29, 2015

Ms. Ann-Marie Sheely
Assistant County Attorney
Travis County
P. O. Box 1748
Austin, Texas 78767

OR2015-15472

Dear Ms. Sheely:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 575585.

The Travis County Medical Examiner's Office (the "medical examiner's office") received a request for a specified autopsy report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime." Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See* Gov't Code §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a non-law-enforcement agency possesses information relating to a pending case of a law enforcement agency, the non-law-enforcement agency may withhold the information under section 552.108(a)(1) if it demonstrates the information relates to the pending case and this office is provided with a representation from the law enforcement entity that the law enforcement entity wishes to

withhold the information. You state the requested autopsy report relates to a pending criminal investigation. Further, you state, and provide documentation stating, the Travis County Sheriff's Office (the "sheriff's office") objects to its release. Based upon this representation, we conclude that the release of the autopsy report would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the medical examiner's office may withhold the submitted information on behalf of the sheriff's office under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
