Dear Ms. Pell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 576066 (PIR# 4658).

The Baytown Police Department (the "department") received a request for information pertaining to six specified incidents. We understand the department will release some responsive information upon payment of costs. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a). One of the submitted video recordings contains motor vehicle record information that is subject to section 552.130. You state the department lacks the technical capability to redact the information subject to section 552.130 from this video recording. Based on this representation, we agree the department must withhold the video recording we have indicated in its entirety under section 552.130 of the Government Code. However, the remaining information does not contain motor vehicle record information. Therefore, the department may not withhold any of the remaining information under section 552.130 of the Government Code. As you raise no further exceptions to disclosure, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
