ATTORNEY GENERAL OF TEXAS

July 30, 2015

Mr. Jose Hernandez  
Records Supervisor  
Edinburg Police Department  
1702 South Closner Boulevard  
Edinburg, Texas 78539

OR2015-15620

Dear Mr. Hernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 579179 (EPD Ref. No. 77093).

The Edinburg Police Department (the "department") received a request for a specified arrest report. You claim some of the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes the breath test results of an arrestee's blood alcohol content. Full information concerning the analysis of the specimen must be made available upon the request of the person who has given the specimen at the request of a peace officer. *See* Transp. Code § 724.018. Here, the requestor is the individual who submitted the specimen. You seek to withhold this information under section 552.108 of the Government Code. As a general rule, the exceptions to disclosure found in the Act do not apply to information other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Thus, the department must release the breath test results to this requestor.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection,

investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You state the submitted information pertains to an active criminal prosecution. Based on your representation, we find the department has demonstrated the release of the information you have marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note basic information includes, among other items, a detailed description of the offense. *See* ORD 127 at 3-4. In this instance, you have marked the entire narrative portion of the submitted incident report as information you seek to withhold under section 552.108. The remaining information at issue does not contain information sufficient to satisfy the requirement that a “detailed description of the offense” be released as basic information. *See id.* Accordingly, we determine the department must release a sufficient portion of the narrative to encompass a detailed description of the offense. Thus, with the exception of the basic information, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code.

In summary, the department must release the submitted breath test results to this requestor pursuant to section 724.018 of the Transportation Code. With the exception of the basic information, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
