Dear Mr. Cullen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 574024.

The Lavaca County Sheriff's Office (the "sheriff's office"), which you represent, received two requests for information from an incident on May 3, 2015 involving a named individual. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

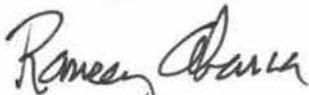

You state the submitted information is related to an ongoing criminal investigation being conducted by the Texas Rangers. You further state the Texas Rangers have asked the sheriff's office not to release the information at issue because disclosure of this information would interfere with the ongoing investigation. Based on these representations and our review, we conclude section 552.108(a)(1) is applicable in this instance. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*, 531 S.W.2d at 186–87. *See* Open Records Decision No. 127 (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Ramsey A. Abarca
Assistant Attorney General
Open Records Division

²As our ruling is dispositive, we need not address the sheriff's office's remaining arguments against disclosure, except to note basic information is generally not excepted from public disclosure under section 552.103. Open Records Decision No. 597 (1991).
