Mr. Matthew Cherry

Texas Alcoholic Beverage Commission  
P.O. Box 13127

OR2015-15862

Dear Mr. Cherry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 573906.

The Texas Alcoholic Beverage Commission (the "commission") received a request for information pertaining to (1) correspondence between named individuals or specified parties and the commission during a specified time period, and (2) enforcement actions taken against any wholesaler or distributor. You state the commission has provided some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (permitting interested third party to submit to attorney general reasons why requested information should or should not be released). We have considered the submitted arguments and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. This section encompasses information made confidential by other statutes. Section 5.48 of the Alcoholic Beverage Code provides as follows:

- (a) "Private records," as used in this section, means all records of a permittee, licensee, or other person other than the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license, or in a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee.

(b) The private records of a permittee, licensee, or other person that are required or obtained by the commission or its agents, in connection with an investigation or otherwise, are privileged unless introduced in evidence in a hearing before the commission or before a court in this state or the United States.

Alco. Bev. Code § 5.48. The term “privileged” in this statute has been construed to mean “confidential” for purposes of the Act. Attorney General Opinion JM-1235 at 2 (1990); Open Records Decision Nos. 186 (1978), 62 (1974). Thus, section 5.48 makes confidential any records required or obtained by the commission, with the exception of “the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license” and “a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee.” Alco. Bev. Code § 5.48.

The submitted information consists of correspondence between a permittee and the commission pertaining to the permittee’s application and sent as part of the application process. You state none of the submitted information has been introduced as evidence in a hearing before the commission or before a court in Texas or the United States. Based on your representations and our review, we agree the submitted information constitutes private records under section 5.48 of the Alcoholic Beverage Code. Accordingly, the commission must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 5.48 of the Alcoholic Beverage Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
