Dear Ms. Nickel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 573992.

The Tarrant County Community Supervision and Corrections Department (the "department") received a request for information pertaining to request for proposals number 2015-213.¹ You indicate the department has released some of the requested information. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of a third party. Accordingly, you state, and provide documentation showing, you notified Recovery Healthcare, Corp. of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from

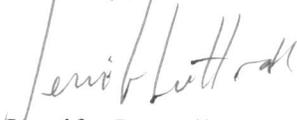

¹We note the requestor has asked the department to answer questions. The Act does not require a governmental body to answer factual questions, conduct legal research, or create new information in responding to a request. *See* Open Records Decision Nos. 563 at 8 (1990), 555 at 1-2 (1990). However, a governmental body must make a good faith effort to relate a request to information held by the governmental body. *See* Open Records Decision No. 561 at 8 (1990). We assume the department has made a good faith effort to do so.

the third party explaining why its information should not be released. Therefore, we have no basis to conclude the third party has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the department may not withhold any of the information at issue on the basis of any proprietary interest the third party may have in it. As no exceptions have been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Jennifer Luttrall
