ATTORNEY GENERAL OF TEXAS

August 6, 2015

Ms. Meredith Riede
City Attorney
City of Sugar Land
2700 Town Center Boulevard North
Sugar Land, Texas 77479-0110

OR2015-16264

Dear Ms. Riede:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 574409.

The City of Sugar Land (the "city") received a request for a specified animal control report and all related documentation related to a specified incident. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 826.0211 of the Health and Safety Code, which provides, in part:

- (a) Information contained in a rabies vaccination certificate or in any record compiled from the information contained in one or more certificates that identifies or tends to identify an owner or an address, telephone number, or other personally identifying information of an owner of a vaccinated animal is confidential and not subject to disclosure under Chapter 552, Government Code. The information contained in the certificate or record may not include

the social security number or the driver's license number of the owner of the vaccinated animal.

Health & Safety Code § 826.0211(a). We note section 826.0211 is applicable only to information contained in a rabies vaccination certificate or in a record compiled from information contained in one or more rabies vaccination certificates. The submitted information consists of a rabies vaccination certificate. Thus, the city must withhold the owner's identifying information, which we have marked, under section 552.101 of the Government Code in conjunction with section 826.0211 of the Health and Safety Code. However, we find the remaining information is not made confidential by section 826.0211, and the city may not withhold it under section 552.101 of the Government Code on that basis. As you raise no further exceptions to disclosure, the city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
