Dear Ms. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 574532 (Georgetown # G001255-052015).

The City of Georgetown (the "city") received a request for the CAD report, notes, and audio and video recordings of a named police officer during a specified incident. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

The city asserts the submitted video recording contains motor vehicle record information that is excepted from disclosure under section 552.130 of the Government Code. Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we agree the submitted video recording contains motor vehicle record information. In this instance, the city states it does not possess the technological capability to redact information from video files. Thus, we agree the city must withhold the entire video recording under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
