ATTORNEY GENERAL OF TEXAS

August 10, 2015

Mr. Vance Hinds  
Assistant Ellis County & District Attorney  
Ellis County  
109 South Jackson  
Waxahachie, Texas 75165

OR2015-16485

Dear Mr. Hinds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 574777 .

The Ellis County District Attorney's Office (the "district attorney's office") received a request for specified video recordings. You claim the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Initially, we address the requestor's assertion the district attorney's office failed to comply with section 552.301 of the Government Code in requesting this decision. Section 552.301 describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b), the governmental body must ask for the attorney general's decision and state the exceptions that apply within ten business days after receiving the request. *See id.* § 552.301(b). In this instance, you state the district attorney's office received the request for information on May 19, 2015. We understand the district attorney's office was closed on May 25, 2015. This office does not count the date the request was received or holidays as business days for the purpose of calculating a governmental body's deadlines under the Act. Accordingly, the district attorney's office's ten-business-day deadline was June 3, 2015. We note the envelope in which the district attorney's office submitted its request for a decision was

meter-marked June 3, 2015. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the district attorney's office complied with the requirements of section 552.301 in requesting this decision from our office.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal investigation. Based upon this representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the district attorney’s office may withhold the submitted information under section 552.108(a)(1) of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
