School Attorney
Dallas Independent School District

Dear Ms. McGowan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 574958 (ORR# 14151).

The Dallas Independent School District (the "district") received a request for the personnel file of a named teacher. The district states it will release some information. The district claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the district claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word "teacher" means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4.

The district contends the submitted information consists of confidential evaluations of the named teacher by the district. The district states the teacher held a teaching certificate under chapter 21 of the Education Code and was engaged in the process of teaching at the time of the evaluations. Based on these representations and our review, we find the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
