Dear Ms. Koonce:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 580783.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for information regarding a specified incident. You claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a). The sheriff's office must withhold the motor vehicle record information you and we marked within the submitted documents under section 552.130 of the Government Code. Additionally, the submitted video recording contains motor vehicle record information that is subject to section 552.130. The sheriff's office states it lacks the technical capability to redact the information subject to section 552.130 from the video recording. Based on this representation, we agree the sheriff's office must withhold the submitted video recording in its entirety under section 552.130 of the Government Code. The sheriff's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
