Dear Ms. Fleming:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 575495.

The Texas Department of Criminal Justice (the "department") received a request for all documents pertaining to 1) requests for accommodations filed by a named inmate, 2) the named inmate's current work assignments, and 3) the named inmate's past or current medical restrictions. The department claims the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have received comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have considered the submitted arguments and reviewed the submitted information.

Initially, we note the department has only submitted information pertaining to the second item in the request. Thus, to the extent any additional responsive information existed when the present request was received, we assume it has been released. If such information has not been released, then it must be released at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Section 552.134 of the Government Code relates to inmates of the department and provides in pertinent part:

(a) Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). The department states the submitted information constitutes information about an inmate confined in a facility operated by the department. The department states section 552.029 of the Government Code does not apply to the submitted information. Upon review, we find the submitted information is subject to section 552.134 of the Government Code. We note the requestor asserts a right of access to the submitted information because he provided a release signed by the named inmate. Although section 552.023 of the Government Code gives a person or the person's authorized representative a "special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests," we note section 552.134 does not protect only the inmate's privacy interest. *See id.* § 552.023. Therefore, section 552.023 does not provide the requestor a special right of access to the submitted information in this instance. Accordingly, the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
