Deputy Diane Huffman  
Public Information Officer  
Parker County Sheriff's Office  
129 Hogle Street  
Weatherford, Texas 76086

OR2015-17091

Dear Deputy Huffman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 576329.

The Parker County Sheriff's Office (the "sheriff's office") received two requests from different requestors for information related to a specified incident. You state you have released some information to the requestors. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information. We have also received and considered comments from one of the requestors. *See Gov't Code § 552.304* (permitting interested third party to submit to attorney general reasons why requested information should or should not be released).

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the

information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an investigation or prosecution of criminal conduct. Open Records Decision No. 474 at 4-5 (1987). Where a governmental body possesses information relating to a pending case of another law enforcement agency, the governmental body may withhold the information under section 552.108(a)(1) if it demonstrates the information relates to the pending case and this office is provided with a representation from the law enforcement entity that the law enforcement entity wishes to withhold the information.

You state the submitted information pertains to an active criminal investigation being conducted by the Texas Rangers. You further state the Texas Rangers object to release of the submitted information, as its release would interfere with the detection, investigation, or prosecution of the crime at issue. Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find section 552.108(a)(1) is applicable to the submitted information.

However, section 552.108 does not except from disclosure basic information about a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*, 531 S.W.2d at 186–87. *See* Open Records Decision No. 127 (1976) (summarizing types of information considered basic information). Thus, with the exception of basic information, which must be released, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. <sup>1</sup>As our ruling under section 552.108 is dispositive, we need not address your remaining argument against disclosure, except to note that basic information may generally not be withheld from public disclosure under section 552.103 of the Government Code.
