Ms. Beth Vidaurri

Corpus Christi Regional Transportation Authority

OR2015-17448

Dear Ms. Vidaurri:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 576574.

The Corpus Christi Regional Transportation Authority (the "authority") received a request for copies of all responses to a specified RFP. The authority states it has released some information. Although the authority takes no position as to whether the submitted information is excepted under the Act, the authority informs us release of this information may implicate the proprietary interests of Iconic Sign Group, LLC ("Iconic"). Accordingly, the authority states it notified Iconic of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Iconic explaining why the submitted information should not be released. Therefore, we have no basis to conclude Iconic has a protected proprietary interest

in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case information is trade secret), 542 at 3. Accordingly, the authority may not withhold the submitted information on the basis of any proprietary interest Iconic may have in the information. As no exceptions to disclosure have been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Rahat Huq
Assistant Attorney General
