Dear Ms. Folsom:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 578039 (GC No. 22464).

The Houston Fire Department (the "department") received a request for the incident report related to a specified fatality accident. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information consists of a completed report that is subject to section 552.022(a)(1). The department must release the completed report pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108

of the Government Code or is made confidential under the Act or other law. *See id.* You seek to withhold the submitted information under section 552.103 of the Government Code. However, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the department may not withhold any of the submitted information under section 552.103 of the Government Code. However, because section 552.130 of the Government Code makes information confidential under the Act, we will consider the applicability of section 552.130 for the information at issue.¹

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Claire V. Morris Sloan
Assistant Attorney General
Open Records Division
