Mr. Michael Barnett
Chief Appraiser
Smith County Appraisal District
245 SSE Loop 323
Tyler, Texas 75702

OR2015-18260

Dear Mr. Barnett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 577720.

The Smith County Appraisal District (the "district") received a request for information pertaining to a specified agriculture exemption application related to a specified account. The district claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the district claims and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 22.27 of the Tax Code, which provides the following:

(a) Rendition statements, real and personal property reports, attachments to those statements and reports, and other information the owner of property

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

provides to the appraisal office in connection with the appraisal of the property, including income and expense information related to a property filed with an appraisal office and information voluntarily disclosed to an appraisal office or the comptroller about real or personal property sales prices after a promise it will be held confidential, are confidential and not open to public inspection. The statements and reports and the information they contain about specific real or personal property or a specific real or personal property owner and information voluntarily disclosed to an appraisal office about real or personal property sales prices after a promise it will be held confidential may not be disclosed to anyone other than an employee of the appraisal office who appraises property except as authorized by Subsection (b) of this section.

Tax Code § 22.27(a). We understand the district is an “appraisal office” for purposes of section 22.27(a). The district states the submitted information was provided to the district by the property owner in connection with an appraisal of the owner’s property pursuant to section 22.27(a). The district indicates none of the exceptions in section 22.27(b) apply in this instance. Based on these representations and our review, we conclude the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 22.27(a) of the Tax Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
