ATTORNEY GENERAL OF TEXAS

September 3, 2015

Ms. Sarah Stallberg  
Assistant County Attorney  
Montgomery County  
501 North Thompson, Suite 300  
Conroe, Texas 77301

OR2015-18435

Dear Ms. Stallberg:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 579769 (County Open Records Request File No. 15PIA339).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for information pertaining to four specified addresses during defined time periods.<sup>1</sup> You indicate the sheriff's office has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

---

<sup>1</sup>You state, and provide documentation showing, the sheriff's office sought and received clarification of the request for information. See Gov't Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes such as section 58.007 of the Family Code, which provides, in pertinent part, as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Juvenile law enforcement records relating to delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997, are confidential under section 58.007. *See id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision”). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the conduct at issue. *See id.* § 51.02(2). The information at issue involves a child engaged in delinquent conduct that occurred after September 1, 1997. As such, this information constitutes a juvenile law enforcement record that is confidential pursuant to section 58.007(c). It does not appear any of the exceptions to confidentiality under section 58.007 apply in this instance. Accordingly, the sheriff’s office must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
