Dear Ms. Rovira:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 584267.

The Town of Addison (the "town"), which you represent, received a request for specified video recordings. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You assert the submitted video recordings contain motor vehicle record information that is excepted from disclosure under section 552.130 of the Government Code. Section 552.130 provides information relating to a motor vehicle operator's or driver's license or permit, or motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we agree the submitted video recordings contain motor vehicle record information. In this instance, you state the town does not possess the technological capability to redact information from video files. Thus, we agree the town must withhold the entire video recordings under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).
