OR2015-18655

Dear Ms. Russell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 578940.

The Town of Flower Mound (the "town"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(a)(1)). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). Act of June 1, 2015, 84th Leg.,

R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). Here, the requestor is a person listed under section 550.065(c). Thus, the town must release the accident report we have marked to the requestor pursuant to section 550.065(c). However, we find the remaining information does not consist of accident report forms; thus, the town may not withhold this information under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

We note the remaining information contains information subject to section 552.130 of the Government Code, which provides information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> Gov't Code § 552.130(a). Upon review, we find the information we marked consists of motor vehicle record information. Thus, the town must generally withhold the information we have marked under section 552.130 of the Government Code. However, we note section 552.130 protects privacy. In this instance, it is not clear whether some of the information at issue belongs to the requestor's client. Thus, the requestor may have a right of access to some of the marked motor vehicle record information under section 552.023 of the Government Code. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). To the extent the motor vehicle record information we marked belongs to the requestor's client, she has a right of access under section 552.023 to her client's information, and the town must release this information to the requestor. To the extent the motor vehicle record information we marked does not belong to the requestor's client, the town must withhold the marked information under section 552.130 of the Government Code. As no other exceptions to disclosure have been raised, the town must release the remaining information.<sup>2</sup>

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>2</sup>Pursuant to section 552.023 of the Government Code, the requestor has a special right of access to her client's motor vehicle record information being released. *See* Gov't Code § 552.023(a) ("person or a person's authorized representative has a special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); ORD 481 at 4 (privacy theories not implicated when individual requests information concerning himself). If the town receives a request for this information from a different requestor, the town is authorized to redact this information under section 552.130(c) without the necessity of seeking a decision from the attorney general. *See id.* § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
