ATTORNEY GENERAL OF TEXAS

September 8, 2015

Ms. Linda Pemberton
Office of the City Attorney
City of Killeen
P.O. Box 1329
Killeen, Texas 76540

OR2015-18688

Dear Ms. Pemberton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 579642 (Killeen ID# W016665).

The City of Killeen (the "city") received a request for the blueprints and drawings for a specified address. Although you take no position as to whether the requested information is excepted under the Act, you state release of this information may implicate the proprietary interests of Mike Capt Engineering. Accordingly, you state, and provide documentation showing, you notified Mike Capt Engineering of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See Gov't Code § 552.305(d); see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted representative sample of information.¹

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See Gov't Code § 552.305(d)(2)(B)*. As of the date of this letter, we have not received comments from

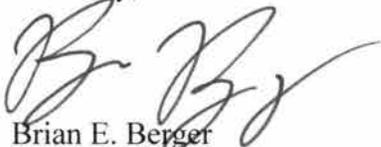

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Mike Capt Engineering explaining why its information should not be released. Therefore, we have no basis to conclude Mike Capt Engineering has a protected proprietary interest in the submitted information. *See id.*, § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any of the information at issue on the basis of any proprietary interest Mike Capt Engineering may have in it. As no exceptions to disclosure have been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
