ATTORNEY GENERAL OF TEXAS

Ms. Veronica Lomas
Records Manager
City of Southlake
1400 Main Street, Suite 270
Southlake, Texas 76092

OR2015-18837

Dear Ms. Lomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 578551.

The City of Southlake (the "city") received a request for all utility bills pertaining to a specified address. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information that other statutes make confidential, such as section 182.052 of the Utilities Code. This section provides, in part:

- (a) Except as provided by Section 182.054, a government-operated utility may not disclose personal information in a customer's account record, or any information relating to the volume or units of utility usage or the amounts

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

billed to or collected from the individual for utility usage, if the customer requests that the government-operated utility keep the information confidential. However, a government-operated utility may disclose information related to the customer's volume or units of utility usage or amounts billed to or collected from the individual for utility usage if the primary source of water for such utility was a sole-source designated aquifer.

(b) A customer may request confidentiality by delivering to the government-operated utility an appropriately marked form provided under Subsection (c)(3) or any other written request for confidentiality.

Util. Code § 182.052(a)-(b). "Personal information" under section 182.052(a) is defined as "an individual's address, telephone number, or social security number," but does not include the individual's name. *See id.* § 182.051(4); *see also* Open Records Decision No. 625 (1994) (construing statutory predecessor). Water service is included in the scope of utility services covered by section 182.052. Util. Code § 182.051(3). There is no indication the exceptions listed in section 182.054 are applicable to the submitted information.

You state the primary source of water for the city's utility service is not a sole-source designated aquifer. The city has submitted the confidentiality election form of the utility customer at issue. Thus, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 182.052 of the Utilities Code. *See* ORD 625 at 7 (character of requested information as public or not public must be determined at time request for information is made). However, we find the remaining information is not subject to section 182.052 of the Utilities Code and the city may not withhold it under section 552.101 of the Government Code.

Section 552.136 of the Government Code provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential."² Gov't Code § 552.136(b). Section 552.136(a) defines "access device" as "a card, plate, code, account number, personal identification number, electronic serial number, mobile identification number, or other telecommunications service, equipment, or instrument identifier or means of account access that alone or in conjunction with another access device may be used to . . . obtain money, goods, services, or another thing of value [or] initiate a transfer of funds other than a transfer originated solely by paper instrument." *Id.* § 552.136(a). Upon review, we find the city must withhold the utility account number we have marked under section 552.136 of the Government Code.

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 182.052 of the Utilities Code. The city must withhold the utility account number we have marked under section 552.136 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
