Dear Ms. Tynan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 579410 (OGC #162750).

higher education” is defined by section 61.003 of the Education Code. *Id.* § 552.1235(c). Section 61.003 defines an “institution of higher education” as meaning “any public technical institute, public junior college, public senior college or university, medical or dental unit, public state college, or other agency of higher education as defined in this section.” Educ. Code § 61.003(8). Because section 552.1235 does not provide a definition of “person,” we look to the definition provided in the Code Construction Act. *See* Gov’t Code § 311.005. “Person” includes a corporation, organization, government or governmental subdivision or agency, business trust, estate, trust, partnership, association, and any other legal entity. *Id.* § 311.005(2). You state the submitted information identifies donors. Thus, the university must withhold the submitted information pursuant to section 552.1235 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
