Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 579902.

The Saginaw Police Department (the "department"), which you represent, received a request for all video recordings from a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information that does not consist of video recordings is not responsive to the instant request. The department need not release non-responsive information in response to this request, and this ruling will not address that information.¹

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. The submitted video recording contains motor vehicle record information that is subject to section 552.130. You state the department lacks the technical capability to redact the information subject to section 552.130

¹As we are able to make this determination, we need not address your arguments against disclosure of the non-responsive information.

from the video recording. Based on this representation, we agree the department must withhold the submitted video recording in its entirety under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
