City of San Antonio

OR2015-19820

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 586137 (ORR No. W091879).

The City of San Antonio (the "city") received a request for the paramedic records pertaining to a specified incident involving a named individual. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information other statutes make confidential, such as section 773.091 of the Health and Safety Code, which provides in relevant part:

¹We note the city did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b), (e). Nonetheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Except for the information specified in section 773.091(g), Emergency Medical Service (“EMS”) records are deemed confidential under section 773.091 and may only be released in accordance with chapter 773 of the Health and Safety Code. *See id.* §§ 773.091-.094. Upon review, we find Exhibit 2 consists of EMS records subject to chapter 773. Thus, with the exception of the information subject to section 773.091(g), which must be released, the city must withhold Exhibit 2 under section 552.101 of the Government Code in conjunction with section 773.091 of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
