

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 23, 2015

Ms. Diana Spiller
Public Information Coordinator
Texas Commission on Jail Standards
P.O. Box 12985
Austin, Texas 78711

OR2015-19883

Dear Ms. Spiller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 580315.

The Texas Commission on Jail Standards (the "commission") received a request for records pertaining to the Harris County jail, including inspections, complaints, and operational plans, and excluding medical information.¹ You state you have released or will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. You also state you notified the Harris County District Attorney's Office (the "district attorney's office") of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See Gov't Code* § 552.304 (interested party may submit comments stating why information should or should not be released). We have received

¹You state the commission sought and received clarification of the information requested. *See Gov't Code* § 552.222 (providing that if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S. W.3d 380, 387 (Tex. 2010) (holding that when governmental entity, acting in good faith, requests clarification or narrowing of unclear or over-broad request for public information, ten-day period to request attorney general ruling is measured from date request is clarified or narrowed).

comments from the district attorney's office. We have considered the submitted arguments and reviewed the submitted representative sample of information.²

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). By its terms, section 552.108 applies only to a law enforcement agency or a prosecutor. This office has concluded, however, that section 552.108 may be invoked by any proper custodian of information that relates to the incident. *See Open Records Decision Nos. 474 (1987), 372 (1983)*. Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state, and provide documentation demonstrating, the district attorney's office objects to disclosure of the submitted information because it relates to active criminal cases. Based on these representations, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the commission may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

²We assume the “representative samples” of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.
