Dear Ms. Barnard:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 581630 (PIR# 003360).

The University of North Texas System (the "system") received a request for (1) any records pertaining to Sigma Phi Epsilon Fraternity over a specified period of time, (2) any records pertaining to four named individuals over a specified period of time, (3) all public information requests pertaining to a named individual, (4) all public information requests received pertaining to the specified fraternity, and (5) all records of investigations, cases, or allegations pertaining to the specified fraternity over a specified period of time. You state you have redacted information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g(a).<sup>1</sup> See Gov't Code §§ 552.026 (incorporating FERPA into the Act), .114 (excepting from disclosure "student records"); Open Records Decision No. 539 (1990) (determining the same analysis applies under section 552.114 of the Government Code and FERPA). You state you will release some information. You claim

---

<sup>1</sup>The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the educational records. We have posted a copy of the letter from the DOE on the Attorney General's website at <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup> We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Initially, we note the submitted information consists of a system police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Act of May 30, 2015, 84th Leg., R.S., ch. 1134, § 1, 2015 Tex. Sess. Law Serv. 3818, 3820 (Vernon) (to be codified at Occ. Code § 1701.661(a)). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.<sup>3</sup> However, pursuant to section 1701.661(b), a "failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information." *Id.*

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>2</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

<sup>3</sup>As our ruling is dispositive, we need not address your argument against disclosure.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,
