Mr. John P. Beauchamp
General Counsel
Texas Commission on Law Enforcement
6330 East Highway 290, Suite 200
Austin, Texas 78723-1035

OR2015-20617

Dear Mr. Beauchamp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 581486.

The Texas Commission on Law Enforcement ("TCOLE") received a request for the F-5 forms filed by the Sullivan City Police Department on a named police officer. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes an officer's TCOLE identification number. Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the officer's TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the officer's TCOLE number is not subject to the Act and need not be released to the requestor.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 1701.454 of the Occupations Code, which governs the public availability of information submitted to TCOLE under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

(a) All information submitted to [TCOLE] under this subchapter is confidential and is not subject to disclosure under [the Act], unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.

(b) Except as provided by this subchapter, a [TCOLE] member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454. The submitted information consists of F-5 Reports of Separation of Licensee. You state the officer at issue did not resign and was not terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses. Therefore, TCOLE must withhold the submitted F-5 reports under section 552.101 of the Government Code in conjunction with section 1701.454 of the Occupations Code.

In summary, the officer's TCOLE number is not subject to the Act and need not be released to the requestor. TCOLE must withhold the submitted F-5 reports under section 552.101 of the Government Code in conjunction with section 1701.454 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
