Dear Ms. Camp-Lee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 582015.

The City of Round Rock (the "city"), which you represent, received a request for information pertaining to a specified motor vehicle collision. You claim some of the submitted information is excepted from disclosure under sections 552.101, 552.130, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Act of June 1, 2015, 84th Leg., R.S., ch. 936, § 1, 2015 Tex. Sess. Law Serv. 3256 (Vernon) (to be codified at Transp. Code § 550.065(a)(1)). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b).

However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). Act of June 1, 2015, 84th Leg., R.S., ch. 936, § 1, 2015 Tex. Sess. Law Serv. 3256, 3256-57 (Vernon) (to be codified at Transp. Code § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. Transp. Code § 550.065(c). Here, the requestor represents a person listed under section 550.065(c). Thus, the city must release the accident report in Exhibit B to the requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. This office has also found that personal financial information not relating to the financial transaction between an individual and a governmental body is excepted from disclosure under common-law privacy. *See* Open Records Decision No. 600 (1992) (public employee's withholding allowance certificate, designation of beneficiary of employee's retirement benefits, direct deposit authorization, and employee's decisions regarding voluntary benefits programs, among others, protected under common-law privacy). Upon review, we find the information you have marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information you have marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information you have marked and the additional information we have marked and indicated under section 552.130 of the Government Code.

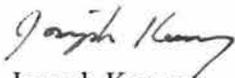

Section 552.136 of the Government Code provides, "Notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. Accordingly, the city must withhold the insurance policy number you have marked under section 552.136 of the Government Code.

In summary, the city must release the accident report in Exhibit B to the requestor pursuant to section 550.065(c) of the Transportation Code. The city must withhold the information you have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the motor vehicle record information you have marked and the additional information we have marked and indicated under section 552.130 of the Government Code. The city must withhold the insurance policy number you have marked under section 552.136 of the Government Code. The city must release the remaining information.<sup>1</sup>
