ATTORNEY GENERAL OF TEXAS

October 8, 2015

Mr. Nick Lealos
Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2015-21117

Dear Mr. Lealos:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 582349 (DPS PIR # 15-3565).

The Texas Department of Public Safety (the "department") received a request for video recordings pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure

under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You contend the submitted information is related to pending litigation to which the department is a party. You inform us, and have provided documentation demonstrating, litigation styled *Cecilia S. Smith v. State of Texas*, Cause No. 12-0955, was pending in the 71st Judicial District Court of Harrison County, Texas on the date the department received the request. Therefore, we agree litigation was pending on the date the department received the present request for information. You also state the information at issue pertains to the substance of the lawsuit claims. Based on your representations and our review, we find the information at issue is related to the pending litigation. Therefore, the city may withhold the submitted information under section 552.103 of the Government Code.

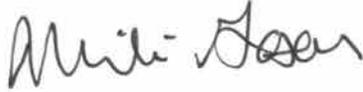

We note, however, the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties seeking information relating to that litigation to obtain it through discovery procedures. *See* ORD 551 at 4-5. Thus, if the opposing party has seen or had access to information relating to the pending litigation through discovery or otherwise, there is no interest in withholding such information from public disclosure under section 552.103. *See* Open Records Decision Nos. 349 (1982), 320 (1982). We also note the applicability of section 552.103 ends once the related litigation concludes. *See* Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
