

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 13, 2015

Mr. Ryan S. Sullivan
Public Information Officer
Harris County Sheriff's Office
1200 Baker Street
Houston, Texas 77002

OR2015-21437

Dear Mr. Sullivan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 583508 (HCSO File No. 14SO500480).

The Harris County Sheriff's Office (the "sheriff's office") received a request for the jail booking screening forms for ten named individuals. You state the sheriff's office does not have information responsive to a portion of the request.¹ You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. *See* Occ. Code §§ 151.001-168.202. Section 159.002 of the MPA provides, in relevant part, the following:

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

(a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Id. § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 at 3-4 (1988), 370 at 2 (1983), 343 at 1 (1982). Upon review, we find you have not demonstrated any of the submitted information is confidential under the MPA. Accordingly, the sheriff's office may not withhold any of the submitted information under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses information protected by other statutes, including chapter 411 of the Government Code, which pertains to criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety ("DPS") maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1 of the Government Code. Act of May 27, 2015, 84th Leg., R.S., ch. 1279, § 21, 2015 Tex. Sess. Law Serv. 4327, 4337 (to be codified as an amendment to Gov't Code § 411.083(a)). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for criminal justice purposes. *See* Gov't Code § 411.089(b)(1). We also note, because the laws governing the dissemination of information obtained from the NCIC or TCIC are based on both law enforcement and privacy interests, the CHRI of a deceased individual that is obtained from the DPS or another criminal justice agency may be disseminated only as permitted by subchapter F of chapter 411 of the Government Code. *See* Open Records Decision No. 565 at 10-12 (1990). The submitted information contains

Federal Bureau of Investigation ("FBI") numbers that constitute CHRI generated by the FBI. Therefore, the sheriff's office must withhold the FBI numbers under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. As you raise no further exceptions to disclosure, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
