Dear Ms. Dahlstein:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 583741.

The State Board of Dental Examiners (the "board") received a request for a specified investigation file. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, including section 254.006 of the Occupations Code, which states:

- (a) Except as provided by this section, the investigation files and other records of the board are public records and open to public inspection at reasonable times.
- (b) Investigation files and other records are confidential, except the board shall inform the license holder of the specific allegations against the license holder. The board may share investigation files and other records with another state regulatory agency or a local, state, or federal law enforcement agency.

(c) The exception from public disclosure of investigation files and records provided by this section does not apply to the disclosure of a disciplinary action of the board, including:

- (1) the revocation or suspension of a license;
- (2) the imposition of a fine on a license holder;
- (3) the placement on probation with conditions of a license holder whose license has been suspended;
- (4) the reprimand of a license holder; or
- (5) the issuance of a warning letter to a license holder.

Occ. Code § 254.006. You state the submitted information consists of a confidential investigation file created in response to a complaint filed against a dentist licensed by the board. You state subsection 254.006(c) is not applicable to any of the information at issue. Therefore, based on your representations and our review, we conclude the submitted information is confidential under section 254.006(b) of the Occupations Code and must be withheld in its entirety under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
