Ms. Lauren Dahlstein
Staff Attorney
State Board of Dental Examiners
333 Guadalupe, Tower 3, Suite 800
Austin, Texas 78701-3942

OR2015-22031

Dear Ms. Dahlstein:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 583739.

The Texas State Board of Dental Examiners (the "board") received a request for any complaints pertaining to a named individual. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, including section 254.006 of the Occupations Code, which states:

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) Except as provided by this section, the investigation files and other records of the board are public records and open to public inspection at reasonable times.

(b) Investigation files and other records are confidential, except the board shall inform the license holder of the specific allegations against the license holder. The board may share investigation files and other records with another state regulatory agency or a local, state, or federal law enforcement agency.

(c) The exception from public disclosure of investigation files and records provided by this section does not apply to the disclosure of a disciplinary action of the board, including:

- (1) the revocation or suspension of a license;
- (2) the imposition of a fine on a license holder;
- (3) the placement on probation with conditions of a license holder whose license has been suspended;
- (4) the reprimand of a license holder; or
- (5) the issuance of a warning letter to a license holder.

Occ. Code § 254.006. You state the submitted information consists of information contained in the board's confidential investigative files pertaining to allegations that a licensed dentist violated the rules and laws governing the practice of dentistry. You state section 254.006(c) is not applicable to any of the information at issue. Therefore, based on your representations and our review, we conclude the submitted information is confidential under section 254.006(b) of the Occupations Code and must be withheld in its entirety under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
