Ms. Judy Hickman  
Assistant Supervisor  
Beaumont Police Department  
P.O. Box 3827  
Beaumont, Texas 77704

OR2015-22040

Dear Ms. Hickman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 583886.

The Beaumont Police Department (the "department") received a request for all records related to a specified police report. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses information made confidential by other statutes. We note the submitted information contains information that was reported to the National Trace Center of the Department of Justice Bureau of Alcohol, Tobacco, Firearms and Explosives (the "ATF"). Public Law number 112-55 states, in pertinent part,

[D]uring the current fiscal year and in each fiscal year thereafter, no funds appropriated under [the Consolidated and Further Continuing Appropriations Act, 2012] or any other [a]ct may be used to disclose part or all of the contents of the Firearms Trace System database maintained by the National Trace Center of the [ATF] or any information required to be kept by licensees

pursuant to section 923(g) of title 18, United States Code, or required to be reported pursuant to paragraphs (3) and (7) of such section, except to: (1) a Federal, State, local, or tribal law enforcement agency, or a Federal, State, or local prosecutor . . . unless such disclosure of such data to an[] . . . entit[y] described in (1) . . . of this proviso would compromise the identity of any undercover law enforcement officer or confidential informant, or interfere with any case under investigation; and no person or entity described in (1) . . . shall knowingly and publicly disclose such data; and all such data shall be immune from legal process, shall not be subject to subpoena or other discovery, shall be inadmissible in evidence, and shall not be used, relied on, or disclosed in any manner, nor shall testimony or other evidence be permitted based on the data, in a civil action in any State[.]

Consolidated and Further Continuing Appropriations Act, 2012, Pub. L. No. 112-55, 125 Stat. 552, 609-10 (2011). We understand the submitted information contains content from the Firearms Trace System database maintained by the National Trace Center. Upon review, we find the submitted information is confidential under Public Law number 112-55. See *Miller v. U.S. Dep't of Justice*, 562 F. Supp. 2d 82, 111 (D.D.C. 2008) (holding Firearms Trace Report properly withheld under Freedom of Information Act exemption 3, which covers records that are exempt from disclosure by statute). Accordingly, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with Public Law number 112-55.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
