Dear Ms. Jimenez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 584652.

The Nueces County Sheriff's Office (the "sheriff's office") received a request for jail-booking screening forms for two named individuals. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information relates to completed investigations. This information is subject to section 552.022 of the Government Code. Section 552.022(a)(1) provides for the required public disclosure of "a completed report, audit, evaluation, or investigation made of, for, or by a governmental body," unless it is excepted by section 552.108 of the Government Code or made confidential under the Act or other law. Gov't Code § 552.022(a)(1). Although you raise section 552.103 of the Government Code, this is a discretionary exception and does not make information confidential under the Act. *See id.* § 552.007; *Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 473 (1987) (section 552.103 may be waived). Accordingly, the sheriff's office may not withhold any of the submitted information under section 552.103. However, because information subject to section 552.022(a)(1) may be withheld under section 552.108, we will address your argument under that exception

Section 552.108(a)(2) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]” Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state, and provide an affidavit explaining, the submitted reports pertain to closed cases that did not result in conviction or deferred adjudication. Thus, we find the sheriff’s office may withhold the submitted information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
