

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 30, 2015

Mr. Jeffrey W. Giles
Assistant City Attorney
Legal Department
City of Houston
P.O. Box 368
Houston, Texas 77001-0368

OR2015-22793

Dear Mr. Giles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 585093 (GC No. 22588).

The City of Houston (the "city") received a request for information pertaining to a specified property between May 1, 2010, and July 31, 2010. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body claiming section 552.103 has the burden of providing relevant facts and documents sufficient to establish the applicability of section 552.103 to the information it seeks to withhold. To meet this burden, the governmental body must demonstrate: (1) litigation was pending or reasonably anticipated on the date of its receipt of the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.). Both elements of the test must be met in order for information to be excepted from disclosure under section 552.103. *See Open Records Decision No. 551 at 4 (1990).*

You state, and provide documentation showing, prior to the city's receipt of the instant request, a lawsuit styled *James Christopherson v. City of Houston*, Cause No. 2012-32252, was filed and is currently pending against the city in the 125th District Court of Harris County, Texas. Therefore, we agree litigation was pending on the date the city received the present request for information. You also state the information at issue pertains to the substance of the lawsuit claims. Based on your representations and our review, we find the information at issue is related to the pending litigation. Therefore, we conclude the city may withhold the submitted information under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See Open Records Decision Nos. 349 (1982), 320 (1982).* Thus, information that has either been obtained from or provided to all parties to the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. *See Attorney General Opinion MW-575 (1982); see also Open Records Decision No. 350 (1982).*

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
