ATTORNEY GENERAL OF TEXAS

November 2, 2015

Ms. P. Armstrong
Assistant City Attorney
Criminal Law and Police Section
City of Dallas
1400 South Lamar
Dallas, Texas 75215

OR2015-22869

Dear Ms. Armstrong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 585462 (ORR 2015-13485).

The Dallas Police Department (the "department") received a request for information pertaining to a specified internal affairs case involving a named individual. You claim portions of the submitted information are excepted from disclosure under sections 552.102, 552.108, 552.117, 552.130, and 552.136 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

¹Although you do not raise section 552.130 of the Government Code in your brief, we understand you to assert this exception based on your markings.

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Initially, we note the submitted information contains a peace officer's Texas Commission on Law Enforcement ("TCOLE") identification number.³ Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or
 - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or
- (3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in the commissioner's electronic database, and may be used as an access device number on the TCOLE website. Accordingly, we find the officer's TCOLE identification number in the submitted information does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.

Next, we note the submitted information includes a police officer's body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

³The Texas Commission on Law Enforcement Officer Standards and Education was renamed the Texas Commission on Law Enforcement by the 83rd Legislature. See Act of May 6, 2013, 83rd Leg., R.S., ch. 93, § 1.01, 2013 Tex. Gen. Laws 174, 174.

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Act of May 30, 2015, 84th Leg., R.S., ch. 1134, § 1, 2015 Tex. Sess. Law Serv. 3818, 3820 (Vernon) (to be codified at Occ. Code § 1701.661(a)). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.*

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note section 552.108 is generally not applicable to records that are purely administrative in nature and do not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.); *Morales v. Ellen*, 840 S.W.2d 519 (Tex. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982). However, you state the submitted information relates to a pending criminal investigation and its release could hinder the investigation. Based on your representations and our review, we find the release of the information you have marked and the remaining information on the compact discs would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the

department may withhold the information you have marked and the submitted compact discs under section 552.108(a)(1) of the Government Code.⁴

Section 552.117(a)(2) of the Government Code excepts from disclosure the home address, home telephone number, emergency contact information, social security number, and family member information of a peace officer, regardless of whether the peace officer complies with section 552.024 or section 552.1175 of the Government Code.⁵ Gov't Code § 552.117(a)(2). Therefore, the department must withhold the information you have marked, in addition to the information we have marked, under section 552.117(a)(2) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See id.* § 552.130. Accordingly, the department must withhold the information you have marked under section 552.130 of the Government Code.

Section 552.136 of the Government Code provides, “[notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). We understand the employee identification numbers you have marked are used in conjunction with one additional digit to access credit union bank accounts. Thus, the department must withhold the employee identification numbers you have marked under section 552.136 of the Government Code.

In summary, the TCOLE identification number is not subject to the Act and need not be released to the requestor. The department may withhold the information you have marked and the remaining information on the compact discs under section 552.108(a)(1) of the Government Code. The department must withhold the information you have marked, in addition to the information we have marked, under section 552.117(a)(2) of the Government Code. The department must also withhold the information you have marked under section 552.130 of the Government Code and the employee identification numbers you have marked under section 552.136 of the Government Code. The remaining information subject to the Act must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

⁴As our ruling is dispositive, we need not address your remaining argument against disclosure for some of this information.

⁵Section 552.117(a)(2) adopts the definition of peace officer found in article 2.12 of the Code of Criminal Procedure.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
