

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

November 3, 2015

Mr. James Kopp  
Assistant City Attorney  
Office of the City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283-3966

OR2015-23026

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 585794 (COSA File No. W093248).

The City of San Antonio (the "city") received a request for information pertaining to a specified motor vehicle accident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state release of the submitted information would interfere with a pending criminal investigation and prosecution. However, we note the information at issue involves driving while intoxicated and the listed suspect is now deceased. Further, because pursuit of criminal charges is not possible in the case, you have failed to demonstrate how release of this information would interfere with a criminal investigation. Accordingly, we find you have not established section 552.108(a)(1) applies to the submitted information. Thus, the city may not withhold the submitted information under section 552.108(a)(1).

We note some of the submitted information is subject to section 552.130 of the Government Code.<sup>1</sup> Section 552.130 information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. See Gov't Code § 552.130. We note the right of privacy lapses at death. *Moore v. Charles B. Pierce Film Enters., Inc.*, 589 S.W.2d 489, 491 (Tex. Civ. App.—Texarkana 1979, writ ref'd n.r.e.); see also Attorney General Opinions JM-229 (1984) (“the right of privacy lapses upon death”), H-917 (1976) (“We are . . . of the opinion that the Texas courts would follow the almost uniform rule of other jurisdictions that the right of privacy lapses upon death.”); Open Records Decision No. 272 (1981) (“the right of privacy is personal and lapses upon death”). Therefore, motor vehicle record information that pertains solely to a deceased individual may not be withheld under section 552.130. The city must withhold the information we marked under section 552.130 of the Government Code. As you raise no further exceptions to disclosure, the city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Nicholas A. Ybarra  
Assistant Attorney General
