Dear Ms. Presley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 585885 (ORR# P005992-073015).

The City of Frisco (the "city") received a request for information related to a specified incident. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. You inform us the submitted video recordings contain motor vehicle record information. However, the city states it lacks the technical capability to redact the motor vehicle record information pertaining to the other individuals from the video recordings. Based on this representation, we agree the city must withhold the submitted video recordings in their entireties under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).
