OR2015-23179

Dear Ms. Allen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 591781.

The Lancaster Police Department (the "department"), which you represent, received a request for reports pertaining to a specified incident. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Act of June 1, 2015, 84th Leg., R.S., ch. 936, § 1, 2015 Tex. Sess. Law Serv. 3256 (Vernon) (to be codified at Transp. Code § 550.065(a)(1)). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has

<sup>1</sup>We note, and you acknowledge, the department did not comply with section 552.301 of the Government Code in requesting this decision. See Gov't Code § 552.301(b), (e). Nonetheless, because section 552.101 of the Government Code can provide compelling reasons to overcome the presumption of openness, we will consider its applicability to the submitted information. See *id.* §§ 552.007, .302, .352.

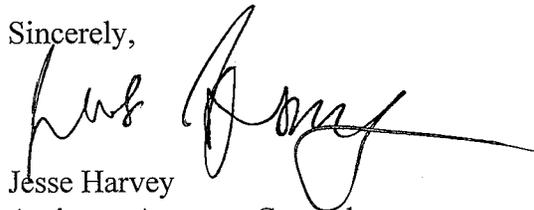

use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). Act of June 1, 2015, 84th Leg., R.S., ch. 936, § 1, 2015 Tex. Sess. Law Serv. 3256, 3256-57 (Vernon) (to be codified at Transp. Code § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the department must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the department to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. The department states that it has already released this information to the requestor pursuant to section 550.065(c-1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
