City of Fort Worth

Dear Ms. Honey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 592272 (ORR# W046132).

The City of Fort Worth (the "city") received a request for information pertaining to five specified incidents. You claim some of the submitted information is excepted from disclosure under section 552.152 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You seek to withhold the identifying information of an undercover officer from the submitted information under section 552.152 of the Government Code. Section 552.152 provides,

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from [required public disclosure] if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Gov't Code § 552.152. You represent the release of the undercover officer's identity would subject the officer to a substantial threat of physical harm. Therefore, we find section 552.152 is applicable to the identity of the undercover officer within the information

at issue. Accordingly, the city must withhold the identifying information of the undercover officer, which you have marked, under section 552.152 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
