Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 586910.

The Town of Flower Mound (the "town"), which you represent, received a request for all records pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes such as section 58.007 of the Family Code, which provides, in pertinent part, as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Juvenile law enforcement records relating to delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997, are confidential under section 58.007. *See id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision”). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the conduct at issue. *See id.* § 51.02(2). Upon our review, we find none of the submitted information identifies a juvenile suspect or offender for the purposes of section 58.007. Accordingly, we find the town has not demonstrated the applicability of section 58.007(c) to this information; thus, the town may not withhold any of the submitted information under section 552.101 on this basis.

Section 552.101 of the Government Code also encompasses laws that make criminal history record information (“CHRI”) confidential. CHRI generated by the National Crime Information Center (the “NCIC”) or by the Texas Crime Information Center is confidential under federal and state law. CHRI means “information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions.” Gov’t Code § 411.082(2). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI obtained from the NCIC network or other states. *See* 28 C.F.R. § 20.21. The federal regulations allow each state to follow its individual law with respect to CHRI it generates. Open Records Decision No. 565 at 7 (1990). *See generally* Gov’t Code §§ 411.081-.1409. Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety (“DPS”) maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov’t Code § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* ORD 565. However, section 411.083 does not apply to active warrant information or other information relating to one’s current involvement with the criminal justice system. *See id.* § 411.081(b) (police department allowed to disclose information pertaining to person’s current

involvement in criminal justice system). We also note the term CHRI does not include driving record information. *See id.* § 411.082(2)(B). Accordingly, the town must withhold the CHRI we have marked under section 552.101 in conjunction with federal law and chapter 411 of the Government Code.¹ However, we find none of the remaining information constitutes confidential CHRI for the purposes of chapter 411. As such, the town may not withhold the remaining information under section 552.101 on this basis.

You assert portions of the submitted video recordings are subject to section 552.130 of the Government Code. Section 552.130 provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. *Id.* § 552.130(a). We note the information at issue includes the requestor's motor vehicle record information. However, because section 552.130 is designed to protect the privacy of individuals, the requestor has a right of access to his own motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from him under section 552.130. *See id.* § 552.023(a) (person or person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and is protected from public disclosure by laws intended to protect person's privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself). Upon review, we conclude the town must withhold the license plate number you indicated in the audio portion of one of the submitted recordings and the visual images of license plates that do not belong to the requestor in the submitted recordings under section 552.130 of the Government Code. None of the remaining information in the recordings is subject to section 552.130; thus, the remaining information may not be withheld on that basis.

In summary, the town must withhold the CHRI we have marked under section 552.101 of the Government Code in conjunction with federal law and chapter 411 of the Government Code. The town must withhold the license plate number you indicated in the audio portion of one of the submitted recordings and the visual images of license plates that do not belong to the requestor in the submitted recordings under section 552.130 of the Government Code. The town must release the remaining information.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹We note the requestor can obtain his own CHRI from DPS. *See* Gov't Code § 411.083(b)(3).

²We note the requestor has a special right of access to some of the information being released. *See* Gov't Code § 552.023; ORD 481. Accordingly, if the town receives another request for this same information from a different requestor, the town must again seek a ruling from this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
