OR2015-24288

Dear Mr. Pittman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 587508.

The Wylie Police Department (the "department"), which you represent, received a request for information pertaining to a specified dog bite incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Initially, we note some of the submitted information, which we have marked, is not responsive to the instant request for information because it does not pertain to the specified incident. This ruling does not address the public availability of any information that is not

¹We note the requestor has a right of access to the information at issue pursuant to section 261.201(k) of the Family Code. *See* Fam. Code § 261.201(k) (parent of child victim of abuse or neglect has right of access to information otherwise confidential under section 261.201(a) of the Family Code). If the department receives another request for this information from a different requestor, the department must again seek a ruling from this office. *See* Gov't Code §§ 552.301, .302; Open Records Decision No. 673 (2001).

responsive to the request and the department is not required to release such information in response to this request.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This exception encompasses information made confidential by other statutes, such as section 826.0211 of the Health and Safety Code, which provides in part:

(a) Information contained in a rabies vaccination certificate or in any record compiled from the information contained in one or more certificates that identifies or tends to identify an owner or an address, telephone number, or other personally identifying information of an owner of a vaccinated animal is confidential and not subject to disclosure under Chapter 552, Government Code. The information contained in the certificate or record may not include the social security number or the driver’s license number of the owner of the vaccinated animal.

Health & Safety Code § 826.0211(a). We note section 826.0211 is applicable only to information contained in a rabies vaccination certificate or in a record compiled from information contained in one or more rabies vaccination certificates. We note a portion of the responsive information consists of a rabies certificate. Therefore, the owner’s identifying information within the rabies certificate, which we have marked, must be withheld under section 552.101 of the Government Code in conjunction with section 826.0211 of the Health and Safety Code. Upon review, we find the remaining information is not made confidential by section 826.0211 and may not be withheld under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses section 826.0311 of the Health and Safety Code, which provides in relevant part:

(a) Information that is contained in a municipal or county registry of dogs and cats under Section 826.031 that identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of the registered dog or cat is confidential and not subject to disclosure under [the Act]. The information contained in the registry may not include the social security number or the driver’s license number of the owner of the registered animal.

(b) The information may be disclosed only to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services or animal registration services for the governmental entity for purposes related to the protection of public health and safety. A governmental entity or person that receives the information must maintain the

confidentiality of the information, may not disclose the information under Chapter 552, Government Code, and may not use the information for a purpose that does not directly relate to the protection of public health and safety.

Id. § 826.0311(a), (b). Section 826.0311 only applies to the actual pet registry; it is not applicable to the contents of other records, even though those documents may contain the same information as the pet registry. *See* Open Records Decision No. 658 at 4 (1998) (statutory confidentiality provision must be express, and confidentiality requirement will not be implied from statutory structure). You do not explain, and we are unable to discern, how the remaining information consists of the actual pet registry. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies). Upon review, we find you have failed to establish any of the remaining information is contained in a municipal or county registry of dogs and cats and identifies or tends to identify the owner of a registered dog or cat. Therefore, the department may not withhold any of the remaining information under section 552.101 of the Government Code in conjunction with section 826.0311 of the Health and Safety Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release.² Gov't Code § 552.130(a). Upon review, we find the department must withhold the driver's license information we have marked under section 552.130 of the Government Code.

In summary, the department must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 826.0211 of the Health and Safety Code and the information we have marked under section 552.130 of the Government Code. The department must release the remaining responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
