Ms. Jena R. Abel  
Assistant General Counsel  
Texas Board of Nursing  
333 Guadalupe Street, Suite 3-460  
Austin, Texas 78701

OR2015-24580

Dear Ms. Abel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 590385.

The Texas Board of Nursing (the "board") received a request for all records relating to an investigation involving the requestor and the revocation of her license.<sup>1</sup> You state the board will release some responsive information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

---

<sup>1</sup>We note the board sought and received clarification of this request from the requestor. *See* Gov't Code § 552.222 (if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if governmental entity, acting in good faith, requests clarification of unclear or over-broad request, ten-day period to request attorney general ruling is measured from date request is clarified).

<sup>2</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This exception encompasses information other statutes make confidential, such as section 301.466 of the Occupations Code, which provides:

(a) A complaint and investigation concerning a nurse under this subchapter and all information and material compiled by the board in connection with the complaint and investigation, and the information described by Subsection (d) are:

- (1) confidential and not subject to disclosure under [the Act]; and
- (2) not subject to disclosure, discovery, subpoena, or other means of legal compulsion for release to anyone other than the board or a board employee or agent involved in license holder discipline.

(b) Notwithstanding Subsection (a), information regarding a complaint and an investigation may be disclosed to:

- (1) a person involved with the board in a disciplinary action against the nurse;
- (2) a nursing licensing or disciplinary board in another jurisdiction;
- (3) a peer assistance program approved by the board under Chapter 467, Health and Safety Code;
- (4) a law enforcement agency; or
- (5) a person engaged in bona fide research, if all information identifying a specific individual has been deleted.

(c) The filing of formal charges against a nurse by the board, the nature of those charges, disciplinary proceedings of the board, and final disciplinary actions, including warnings and reprimands, by the board are not confidential and are subject to disclosure in accordance with [the Act].

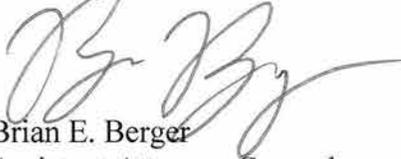

Occ. Code § 301.466(a)-(c). You inform us the submitted information was collected or created by the board as part of its investigation into a nurse. You state the submitted information does not fall into any of the categories of information that are subject to disclosure under section 301.466(c). Based on your representations and our review, we agree the submitted information is confidential under section 301.466(a). We find the requestor is not entitled to receive this information under section 301.466(b) and the information at

issue does not fall under section 301.466(c). Accordingly, we conclude the board must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 301.466(a)(1) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
