ATTORNEY GENERAL OF TEXAS

Ms. Ann-Marie Sheely
Assistant County Attorney
County of Travis
P.O. Box 1748

OR2015-24741

Dear Ms. Sheely:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 588438.

The Travis County District Attorney's Office (the "district attorney's office") received a request for the offense reports, any TDC summary, and the pre-sentence investigation reports pertaining to a specified case. You state you will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as article 42.12 of the Code of Criminal Procedure. Section 9 of article 42.12 is applicable to pre-sentence investigation and post-sentence reports and provides, in part:

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(j) The judge by order may direct that any information and records that are not privileged and that are relevant to a report required by Subsection (a) or Subsection (k) of this section be released to an officer conducting a presentence investigation under Subsection (i) of this section or a postsentence report under Subsection (k) of this section. The judge may also issue a subpoena to obtain that information. A report and all information obtained in connection with a presentence investigation or postsentence report are confidential and may be released only:

- (1) to those persons and under those circumstances authorized under Subsections (d), (e), (f), (h), (k), and (l) of this section;
- (2) pursuant to Section 614.017, Health and Safety Code; or
- (3) as directed by the judge for the effective supervision of the defendant.

Crim. Proc. Code art. 42.12, § 9(j). You state the submitted information consists of a pre-sentence investigation report. Additionally, you state none of the release provisions in section 9(j) of article 42.12 are applicable. Accordingly, we conclude the district attorney's office must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 9(j) of article 42.12 of the Code of Criminal Procedure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
