ATTORNEY GENERAL OF TEXAS

November 30, 2015

Ms. Whitney Borgman  
Assistant District Attorney  
Civil Division  
Hays County Criminal District Attorney's Office  
712 South Stagecoach Trail, Suite 2057  
San Marcos, Texas 78666

OR2015-24800

Dear Ms. Borgman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 589013 (Ref.# 15-0577).

The Hays County Criminal District Attorney's Office (the "district attorney's office") received a request for video recordings from specified cameras outside of the Hays County Government Center (the "center") during a specified time period. The district attorney's office claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exceptions the district attorney's office claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information made confidential by other statutes, including section 418.182 of the Texas Homeland Security Act (the "HSA"), chapter 418 of the Government Code. Section 418.182 provides, in relevant part:

- (a) [I]nformation . . . in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential.

*Id.* § 418.182(a). The fact information may be related to a security system does not make such information *per se* confidential under section 418.182. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a governmental body asserting section 418.182 must adequately explain how the responsive records fall within the scope of the statute. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

The district attorney's office states the submitted video recordings reveal the specifications of security camera placement. The district attorney's office explains the surveillance cameras at issue are used to protect the center from terrorism and related criminal activity. Upon review, we find the submitted surveillance video recordings relate to the location and specifications of a security system used to protect public or private property from an act of terrorism or related criminal activity. *See Tex. Dep't of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (finding confidential under section 418.182 of the HSA video recording containing images recorded by security cameras in Texas Capitol hallway because specifications of security system included cameras' capabilities and video recording demonstrated those capabilities through characteristics, quality, and clarity of images recorded). Therefore, the district attorney's office must withhold the submitted video recordings under section 552.101 of the Government Code in conjunction with section 418.182 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
