ATTORNEY GENERAL OF TEXAS

Mr. Brendan W. Guy  
Assistant Criminal District Attorney  
Victoria County Sheriff's Office  
205 North Bridge, Suite 301  
Victoria, Texas 77901-8085

OR2015-24824

Dear Mr. Guy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 594868.

The Victoria County Sheriff's Office (the "sheriff's office") received a request for a specified incident report. You claim portions of the submitted information are excepted from disclosure under sections 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

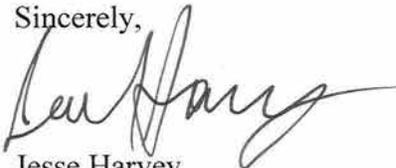

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses the doctrine of common-law privacy, which protects information if (1) the information contains highly intimate or embarrassing facts, the publication of which would be highly objectionable to a reasonable person, and (2) the information is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both elements of this test must be established. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. This office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Additionally, this office has found personal financial information not relating to a financial transaction between an individual and a governmental body is generally highly intimate or embarrassing. *See* Open Records Decision No. 523 (1989) (common-law privacy protects credit reports, financial statements, and other personal

financial information). Furthermore, we find a compilation of a private citizen's criminal history is generally not of legitimate concern to the public. We note records relating to routine traffic violations are not considered criminal history information. *Cf.* Gov't Code § 411.082(2)(B) (criminal history record information does not include driving record information). Upon review, we find the information we have marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the sheriff's office must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find none of the remaining information is highly intimate or embarrassing and of no legitimate public interest. Therefore, the sheriff's office may not withhold any of the remaining information at issue under section 552.101 on that basis.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
