

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 2, 2015

Ms. Jackie Fisher-Davis
Records Clerk
Harker Heights Police Department
402 Indian Trail
Harker Heights, Texas 76548

OR2015-25145

Dear Ms. Fisher-Davis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 589014.

The Harker Heights Police Department (the "department") received a request for information pertaining to domestic violence or disturbance incidents during a specified time period listing a named individual as a suspect and the requestor's client as a victim. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note some of the submitted information, which we have marked, is not responsive to the instant request because it does not list the named individual as a suspect and the requestor's client as a victim. This ruling does not address the public availability of any information that is not responsive to the request and the department is not required to release such information in response to this request.¹

¹As we are able to make this determination, we need not address your argument against disclosure of this information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the responsive information pertains to concluded investigations that did not result in conviction or deferred adjudication. Based on your representation and our review, we agree section 552.108(a)(2) is applicable to the responsive information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). In this instance, some of the responsive information consists of a call for service report. In Open Records Decision No. 649 (1996), this office concluded information contained in a computer-aided dispatch (“CAD”) report is substantially the same as basic information. *See* ORD 649 at 3; *see also* Open Records Decision No. 394 at 3 (1983) (there is not qualitative difference between information contained in radio cards or radio logs and front-page offense report information expressly held to be public in *Houston Chronicle*; thus, such information is generally public). Accordingly, with the exception of basic information, which you state you have released, the department may withhold the responsive information under section 552.108(a)(2) of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

²We note the requestor has a right of access beyond that of the general public to some of the information being released. *See* Gov't Code § 552.023(a) (person or person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and is protected from public disclosure by laws intended to protect person's privacy interests); Open Records Decision No. 481 at 4 (1987)(privacy theories not implicated when individual asks governmental body to provide him with information concerning himself). Accordingly, if the department receives another request for this information from an individual other than this requestor, the department must again seek a ruling from this office.
