ATTORNEY GENERAL OF TEXAS

December 7, 2015

Mr. Robert Blech  
Assistant General Counsel  
Texas Medical Board  
P.O. Box 2018  
Austin, Texas 78768-2018

OR2015-25515

Dear Mr. Blech:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 589885 (TMB Ref. No. 26005).

The Texas Medical Board (the "board") received a request for all communications between six named individuals or any board investigator and any employee or contractor working for the United States Drug Enforcement Agency (the "DEA") during a specified period of time. You state the board has no information responsive to portions of the request.<sup>1</sup> You state the board has released some of the requested information. You state the board has redacted certain information pursuant to section 552.1175(f) of the Government Code and personal e-mail addresses under section 552.137 of the Government Code pursuant to section Open Records Decision No. 684 (2009).<sup>2</sup> You claim the submitted information is excepted

---

<sup>1</sup>The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

<sup>2</sup>Section 552.1175(f) of the Government Code authorizes a governmental body to redact under section 552.1175(b), without the necessity of requesting a decision from this office, the home addresses and telephone numbers, emergency contact information, social security number, date of birth, and family member information of a peace officer as defined by article 2.12 of the Code of Criminal Procedure who properly elects to keep this information confidential. *See Gov't Code* § 552.1175(b), (f). Open Records Decision No. 684 is a previous

from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>3</sup>

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state, and provide documentation showing, the DEA has advised the submitted information is related to pending criminal investigations. We understand the DEA objects to disclosure of the information at issue because its release would interfere with the investigations. Based on your representation, we conclude the board may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the DEA. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). As our ruling is dispositive, we need not consider your remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

determination to all governmental bodies authorizing them to withhold certain information, including an e-mail address of a member of the public under section 552.137 of the Government Code, without the necessity of requesting an attorney general decision.

<sup>3</sup>We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
