

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 10, 2015

Mr. Stephen D. Gates
Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79701

OR2015-25894

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 590320 (City ID No. 17731).

The City of Midland (the "city") received a request for information pertaining to two specified incidents. You state the city has released some of the responsive information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute, such as the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). We have further found when a file is created as a result of a hospital stay, all the documents in the file referring to diagnosis and treatment constitute physician-patient communications or “[r]ecords of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician.” Open Records Decision No. 546 (1990).

Upon review, we find the information we have marked constitutes records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that were created or are maintained by a physician. Accordingly, the city must withhold the medical records we have marked under section 552.101 of the Government Code in conjunction with the MPA. However, we find the city has failed to demonstrate any portion of the remaining information constitutes medical records subject to the MPA. Therefore, the city may not withhold any of the remaining information under section 552.101 of the Government Code in conjunction with the MPA.

A portion of the remaining information is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)-(b). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). Transp. Code § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). Here, the requestor is a person listed under section 550.065(c). We note a statutory right of access prevails over the common law. *See CenterPoint Energy Houston Elec. LLC v. Harris County Toll Road*, 436

F.3d 541, 544 (5th Cir. 2006) (common law controls only where there is no conflicting or controlling statutory law). Thus, the city must release the accident report to the requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. In considering whether a public citizen's date of birth is private, the Third Court of Appeals looked to the supreme court's rationale in *Texas Comptroller of Public Accounts v. Attorney General of Texas*, 354 S.W.3d 336 (Tex. 2010). *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The supreme court concluded public employees' dates of birth are private under section 552.102 of the Government Code because the employees' privacy interest substantially outweighed the negligible public interest in disclosure.¹ *Tex. Comptroller*, 354 S.W.3d at 347-48. Based on *Texas Comptroller*, the court of appeals concluded the privacy rights of public employees apply equally to public citizens, and thus, public citizens' dates of birth are also protected by common-law privacy pursuant to section 552.101. *City of Dallas*, 2015 WL 3394061, at *3. Thus, the city must withhold all public citizens' dates of birth within the remaining information at issue under section 552.101 of the Government Code.

We note portions of the remaining information are subject to section 552.130 of the Government Code, which provides information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.² Gov't Code § 552.130(a). Upon review, we find the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the city must withhold the medical records we have marked under section 552.101 of the Government Code in conjunction with the MPA. The city must release the submitted accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. The city must withhold all public citizens' dates of birth within the remaining information under section 552.101 of the Government Code. The city must

withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The city must release the remaining information.³
