

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 11, 2015

Mr. Matthew L. Grove
Assistant County Attorney
Fort Bend County
401 Jackson Street-3rd Floor
Richmond, Texas 77469

OR2015-26106

Dear Mr. Grove:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 590343.

The Fort Bend County Attorney's Office (the "county attorney's office") received a request for information regarding contracts and agreements between the county attorney's office and third parties for criminal prosecutions. You claim that the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure

under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

The county attorney's office states, and submits documentation demonstrating, prior to the county attorney's office's receipt of the instant request for information, a lawsuit was filed in the 268th District Court of Fort Bend County against Fort Bend County. The county attorney's office further states the information at issue is related to the pending litigation because it pertains to the claims in the lawsuit. Upon review of the arguments of the county attorney's office and the information at issue, we find the information at issue relates to litigation that was pending when the county attorney's office received this request for information. Therefore, the county attorney's office may withhold the submitted information under section 552.103 of the Government Code.

We note, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing party in the litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends when the litigation has concluded. Attorney General Opinion MW-575 at 2; Open Records Decision Nos. 350 at 3 (1982), 349 at 2.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
